

ARS COVID RTP (Return To Play) GAME DAY GUIDELINES

- **Hand Hygiene** - All coaches and players are asked to have their own hand sanitizer and use it before going on the field to play.
- **Masks***** - Anyone visiting Forrest Street Park as part of our soccer program is required to wear a mask IF they cannot physically distance from others 6 feet (ie games). Please be prepared. Players may remove masks when play begins. Coaches are asked to wear masks as much as possible excluding times when they are 6 feet from players. Mask wearing for coaches within 6 feet of players or spectators is not optional.
- **Spectators** - We are asking that game day spectators be limited to immediate family. Chairs must be spaced as far apart on sidelines as possible if not 6 feet (see diagram). The blue jerseys (home team) spectators will be one side of the field and the black jerseys (away team) will be on another side of the field. After games have concluded - exit immediately. Please do not linger around the parking lots and Pavilions.
- **Restrooms** - The restrooms at Forrest Street Park have been closed by the Town of Arlington to comply with COVID guidelines. Please plan accordingly.
- **Concessions** - The concessions will not be open for the Fall 2020 season.
- **Health Screening "check-ins"** – At this time we are still using the individual team links through Google forms. We are requiring that EVERYONE that is coaching or playing in a game visit this link prior to each event and complete the brief screening survey. This is for COACHES AND PLAYERS. Players are not permitted to play without completing it.
- **Good Game, Celebrations, Game Snacks** - Until further notice there will be no high fives, hand slaps, celebratory tunnels or communal/shared team snacks.
- **Water Breaks** - Players should still social distance as much as possible during water breaks. They should return to their families or their "team area" behind the goal when not playing.

*****A face covering is required as ordered by Shelby County Health Department if within 12ft of other individuals on the sidelines of games where shouting, cheering and loud speech is occurring.**

**All guidelines must be followed to participate
and for our league to continue to operate.
Thank you for your cooperation.**

**WHERE DO SPECTATORS SIT? PLEASE SEE OUR WEBSITE (UNDER
RETURN TO PLAY GUIDELINES) FOR FIELD GUIDES**
